

*Designing your dream closet has never been so fast and easy!*

# Create a Closet.

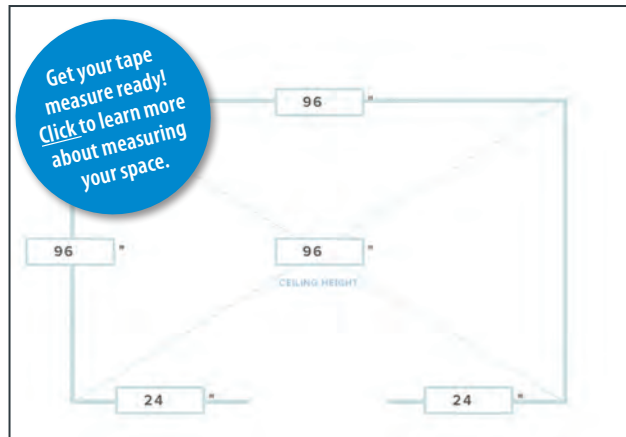

1. Choose the space you want to organize.

2. Choose your Closet Layout.

3. Enter your Closet Dimensions in inches.

4. Basic to Ultimate — choose a Closet Design level.

5. Choose from 8 on-trend Closet Finishes.

6. Now you're all set...open your design!

*Designing your dream closet has never been so fast and easy!*

# Customize and Order.

Organized Living's online Design Tool creates a custom 3-D freedomRail® design for your space.

You can order the closet design as shown or customize it by adding, moving, or removing accessories and shelving.

You can customize even further by changing the closet finish and editing the floor and wall colors to bring your closet to life!

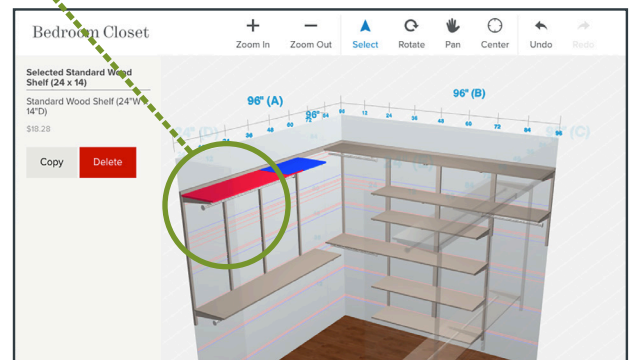

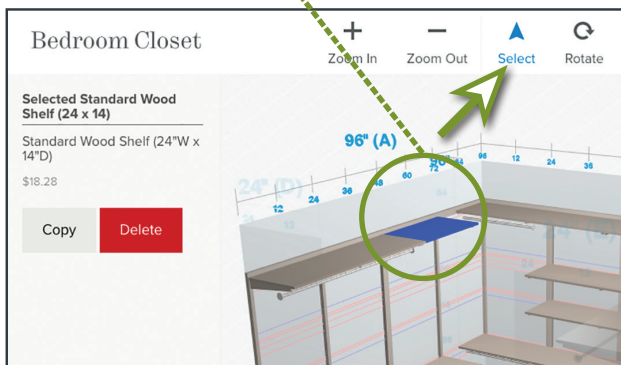

## TOOLS TO CUSTOMIZE YOUR DESIGN

### Select Tool

Use the Select Tool located in the top navigation to move, remove, or copy an item.

Selected items display in blue, as shown below.

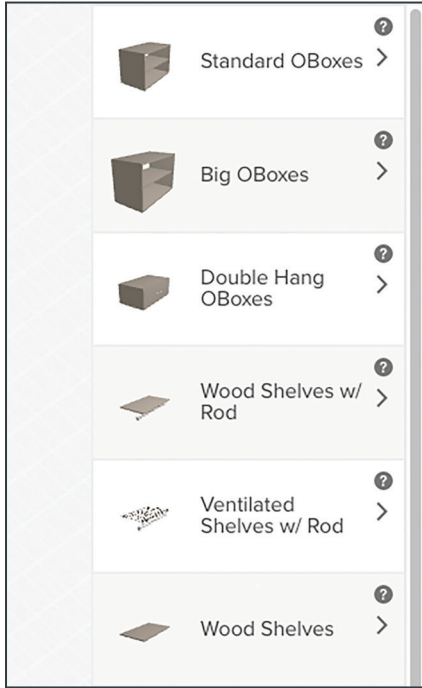

*Note: When a selected Item displays in red it's overlapping another item or does not fit correctly in the design. Items remain red until deleted or moved — this ensures your design works!*

## TOOLS TO CUSTOMIZE YOUR DESIGN

### freedomRail Product Items

freedomRail products are along the right panel. Simply choose the category, select the item, then drag-and-drop it into your design.

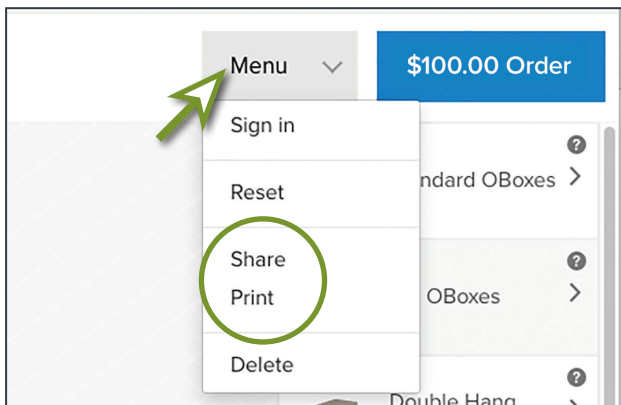

### Menu Functions

Under "Sign In", you can create an account. Save designs here with memorable names so you recognize them on future visits.

Log in to your account to access your saved designs. Share them with others via email or print them out.

## ORDER YOUR DESIGN

### Order Your Design

When your design is complete, order your dream closet! Click the blue order button on the top right of the page to add the design to your cart.

### Product Ordering Details

Once your design is added to your cart, all parts needed for your design are listed. We do the calculations for you!
